Cornerstone Bible Church
A Short History

The Cornerstone Bible Church body of believers began in 1987, when the founding Pastor returned to Terre Haute from Dallas Theological Seminary.

From the beginning, a core focus and foundation of the church has been on expository teaching from the Scriptures, which is why we use the term “Bible” in our name.

With the exception of beginning in a house living room, the current building that we meet in is our 3rd, since 1987.

In 2005, we completed our Fellowship Hall, which now is used for multiple outreach programs.

On March 13, 2012 Cornerstone Bible Church became completely debt free! We give all glory to God for His continued faithfulness in many ways.
